

The recent events have proved that Ukraine and Moldova are on the same track of their European integration path and in the same boat while facing Russia. Russian missile attacks on Ukraine and blackouts also cause energy troubles for the Republic of Moldova, Russian troops stay on the territories of both countries and Russian gas blackmailing has been often used as a tool of pressure. It's time to talk about common solutions and staying together in facing the challenges and the great opportunity for that is

The Second Ukraine-Moldova Expert Forum UKRAINE-MOLDOVA: THE NEW SHAPES OF PARTNERSHIP

The Forum will assemble diplomats, politicians, experts and journalists. The key-note speech will be delivered by the Deputy Speaker of the Parliament of Moldova Mihai Popsoi.

The experts of the "Ukrainian Prism" Sergiy Gerasymchuk and Mykhailo Drapak will present their findings on problematic and promising dimensions of cooperation and the implementation of the January 12, 2021 Declaration of the Presidents Maia Sandu and Volodymyr Zelensky.

Join us online on November 29, 2022 at 9:30 and contribute to the topical discussion!

Please register for the event following the link:
